

Welcome to the Porter County Public Library Summer Reading Program!

June 1st – July 31st

Dive into adventure this summer at your local library. Explore with us all of the "Oceans of Possibilities" as you craft treasures, and learn about ocean wonders and dangers. Set sail with pirates and dance in bubbles. Check out what is happening at all five of our branches by visiting pcpls.libnet.info/events

The fun doesn't stop with our programs. Win fantastic prizes too! Stop by our libraries each week to enter into our weekly drawings. Compete for grand prizes by participating in our summer reading program.

Registration

Turn in this form at your local library
after completing your summer reading.

Name: _____

Age: _____

Grade: _____
